Key Handling Agreement

Julspops Dog Walking & Pet/House Sitting Services requires any or all building access keys, security and or parking passes as necessary to take care and spend the maximum time with your pet. I do not want to infringe upon the amount of quality time spent with your pet/home due to unnecessary time looking for parking or trying to gain access to your building.

ON CALL KEY PROGRAM: I offer the On-Call Key Program to those clients who are pleased with my service and plan to use Julspops Dog Walking & Pet/House Sitting Services quite frequently. It will decrease the amount of time I will spend picking up and dropping back the house key. For those repeat customers utilizing my special program, I will be able to accommodate an **On-Call Key** customer on a much shorter notice because I will already know your pet(s), home, the routine and have access to your key in a secured locked location.

Please choose one of the following options:

I _____ wish to enrol in the On-Call Key Program and release my house key to Julspops Dog Walking & Pet/House Sitting Services to retain on file, in a secured locked location, for future services. I may revoke this release at any time, at which time my key will be returned at no charge.

I _____ would like Julspops Dog Walking & Pet/House Sitting Services to return my house key after the current service is completed. I understand **this will** result in an additional charge of \$10.00.

In addition to the above options, your key can be returned by being placed in your mailbox or other location within the grounds of your home on the last visit however; for safety reasons, I would prefer **not** to return your key by this method. If you prefer this method please sign below, this will be your consent in me doing so.

Only sign here if you wish for the key to be RETURNED by this method
